Welcome Page

Welcome

This survey of UC retirees asks you to share your activities and experiences as a retiree that have occurred since January 2017.

The survey should take 10-15 minutes to complete.

It is recommended that you complete the survey in one sitting. Please note that once you have moved to a new page in the survey, you cannot go back and change responses.

You are asked to answer every question, but you can choose “none” or “not applicable.” There are a few open response items. Comments on those are optional, and you can answer in a short paragraph or just a word or two.

If you close your browser before completing the survey, you may or may not be able to resume where you left off, depending on your browser cookie settings.

Thank you for participating!

Privacy

CUCRA respects your privacy. Your responses to the survey will be anonymous.

Your responses and comments will be shared with your local association and center. If you include detailed, specific information in your text responses, you might be identifiable even though the responses are otherwise anonymous.

This survey uses Qualtrics survey software. Qualtrics collects your IP address when you participate in the survey, and uses cookies to manage your survey session. CUCRA will not have access to your IP address.
