

Robert Daly

## Statement of Qualifications for Joint Benefits Committee Member

Robert (Bob) Daly began his UC career at University of California, Irvine in 1980 as the Director of Information and Planning Analysis. Here, he stayed for 24 years. In June 2004 he was hired as the Assistant Vice Chancellor in Budget and Planning at University of California, Riverside. Bob retired from UC Riverside 2014.

Bob earned his bachelor's degrees in economics and business administration (Quantitative Methods), and his master's degree in economics at California State University, Fullerton. While working on his master's degree, he began teaching economics at community colleges. He continued teaching throughout his career with appointments at California State University, Fullerton, and the University of California, Irvine (UCI). At UC Irvine he held the title of Adjunct Lecturer in the Department of Economics.

Since retirement, Bob has been actively involved supporting the University of California, CUCRA, and his community. For CUCRA, he has served as "webmaster" for many years and served as Information Officer for four years. He was the President of the UC Riverside Retirees' Association for five years, and currently is the treasurer for the UCI Retiree Association. Bob is also a member CUCRA's 2024 Survey Committee and the UCOP Open Enrollment Communication Committee.

Examples of his community activities include serving on his homeowner's association Board of Directors including serving as its president, being a member of the Ladera Ranch Technology Advisory Committee, and being a mediator for the Orange County, California Superior courts.

For fun, Bob also provides computer support for many of his family members and friends, plays softball, plays lots of tennis, goes skiing as often as possible, and travels with his wife, kids, grandkids, and friends as often as possible.
